BUILDING RESTRICTIONS

1. Application for Building Construction clearance must be done before any construction can be made; otherwise, the company has the right to hold the existing activity and all materials for use in the construction thereof, and may be refused to enter the subdivision, until the owner completes the construction clearance requirements.
2. Construction of building shall not be allowed unless the owner shall have paid the applicable fees as follows:
   a. Filing Fee: P 1,500.00 (New Construction/Major Renovation) P1,000.00 (Fence/Minor Renovation) P500.00 (Grills/Screendoor/etc.)
   b. Construction Bond: P40,000.00 (New Construction/Major Renovation) P10,000.00 (Fence/Minor Renovation)
   c. Residential Buildings and P 75,000.00 for Commercial Buildings
   d. Said deposit shall be refunded to the owner after completion less whatever damage or violation the owner may have caused to any of the subdivision facilities and after the company shall have been satisfied that all restrictions embodied herein have been complied with. If the amount to be deducted is higher than the construction bond, the excess amount shall be billed to the owner.
   e. Balance on VMD, Water and Electric Bill shall also be deducted in the Construction Bond.
3. In case of any violation hereof, the construction deposit shall be forfeited without prejudice to such other legal action of the company/owner may pursue.

CORRESPONDING SANCTIONS/PENALTIES:

	VIOLATIONS & PROHIBITED STRUCTURES	SANCTIONS / PENALTY
1	Constructions without Building Permit & Construction Clearance	Application of Clearance and payment of 50% penalty based on the amount of Construction Bond
2	Encroachment of fencing construction on Sidewalk / Easement	Forfeiture of bond and for removal
3	Metal Gates Encroaching Easement and Sidewalk	Forfeiture of bond and for removal
4	Fence made of scrap woods & metals, barbwire and cyclone wire	Forfeiture of bond and for removal
5	Constructions of Shacks / Barns	Forfeiture of bond and for removal
6	Extended roofing of any kind installed beyond property line	Forfeiture of bond and for removal
7	Using the sidewalk areas for planters with landscaping activities	Forfeiture of bond and for removal
8	Any kind of protrusions beyond property line	Forfeiture of bond and for removal
9	Doghouses on sidewalks	Php 2,000.00
10	Constructions of Shacks / Barns	Php 1,500.00
11	Concrete mix on roads and sidewalks:	
	- First Offense	Php 2,000.00
	- Second Offense	Forfeiture of bond
12	Failure to complete house construction within twelve (12) month	Forfeiture of 50% of the Construction Bond
13	Revision of pre approved plan without approved CRF	Forfeiture of 50% of the Construction Bond
14	Reinspection fee	Php 750.00/Php 500.00 (succeeding)
15	Failure to post signed tarpaulin before start of construction:	
	- First Offense	Verbal warning
	- Second Offense	Php 500.00
16	Other damages	As per assessment

4. Relocation of concrete monuments is necessary, especially for secondary owners. Any relocation survey needed other than the services offered by the company will result to an equivalent amount rendered unto.
5. In the event the owner constructs his house on a wrong lot, the owner shall immediately remove said construction at his expense; otherwise the company shall immediately remove the same at the owner's expense without the necessity of a court order and without incurring any criminal and/or civil liability whatsoever on the part of the company or its officers and employees.
6. No temporary building, shack, barn or other structures shall be erected. Adjacent lots may be used for dumping of materials or stockpile for construction provided said lots are immediately cleaned after construction f the owner's house. In case of failure of the owner to do so, the company shall do the same but the cost thereof shall be deducted from the owner's construction deposit.
7. Any construction / improvement shall be defined within the lot boundaries. Extension of structures beyond the property line such as utilization of sidewalk for plant boxes and extension of garages, protruding roof edges, etc. are strictly prohibited and thus a grave violation of the Deed of Restrictions. This shall be removed by the owner at his own expense immediately after a notice of violation has been received from Calmar Land Development Corporation.
8. Owner shall not be allowed to mix concrete directly on the subdivision's concrete roads or paved sidewalks.
9. The construction area and its immediate premises must be kept clean at all times. Periodic inspections will be conducted by the representative of Calmar Land, and any violation shall be recorded and the owner shall be informed for proper course of actions.
10. No soil, stones or gravel shall be taken from this parcel of land or from any other lot belonging to the company.
11. Building Plans shall conform to the National Building Code standards and approved by the Local Building Officials. Setback of the building unit shall also conform to the minimum requirement of the type of subdivision development applied.
12. Any changes from the pre-evaluated and approved plan shall be coursed thru Customer Request Form, the Company may impose penalties for any changes/revision implemented without prior approval.

13. All house constructions should be completed within a period of twelve (12) months (at least the exterior part of the unit). Failure to do so, fifty (50%) of the construction bond will be forfeited and renewal of the clearance will be required. (Note: if the house construction is not completed within 24 months, the construction clearance will be null and void and has to be reapplied). Any extensions can be requested thru Customer Service Department and must secure approval within the twelve (12) month period.

14. Tarpaulin must be visible within construction site prior start of construction, failure to do so, the Company may impose penalties for any changes/revision implemented without prior approval.

I / We do hereby acknowledge the abovementioned rules and regulations stipulated as Building Restrictions and shall abide by it.
