ACCOMPLISHEMENT REPORT

I / WE, hereby bind/s myself / ourselves to abide the rules and regulations set in the procedures for implementation of the aforementioned service, guided by the following terms and conditions.

1. Upon submission of the application an ocular inspection of the site shall be conducted to determine the cost of materials needed in the temporary connection, such as wire, temporary post and other materials for completion;
2. After inspection, the applicant will be notified for the purchase of materials needed in the installation, at their own expense;
3. After the applicant purchased the materials needed for the installation, he/she will inform the CS Associate for implementation;
4. The installation works will be completed within the period of 7 working days.
